BONUS AGREEMENT

Before receiving any bonus from the Company, you (the “Client”) are required to read, understand, and agree to the terms of this Bonus Agreement. By trading on the KIN Markets platform with a bonus credited to your account, you confirm that you have read and accepted this Bonus Agreement.

This Bonus Agreement forms an integral part of the Company’s and Website’s **Terms and Conditions** and outlines all rules and provisions related to bonuses offered by the Company.

The Company may, at its sole discretion, choose to grant a bonus to a Client by depositing bonus funds into the Client’s trading account. Such funds are subject to specific terms and conditions established by the Company. Bonus funds cannot be withdrawn unless the Client fulfills all applicable requirements stated on the Website or as otherwise communicated by the Company.

If the Company suspects or determines that the Client has engaged in, or attempted to engage in, fraudulent activity to obtain a bonus or other promotional benefit, the Company reserves the right to:
(i) Cancel or deny the bonus promotion;
(ii) Terminate the Client’s access to Company services and/or end the contractual relationship between the Company and the Client;
(iii) Block the Client’s account(s) and return any available withdrawal balance to the Client.

Important: Please read this Bonus Agreement carefully in conjunction with the Company’s General Terms and Conditions before accepting or using any bonus funds.

1. Definitions

1.1. Bonus – Any financial reward and/or promotional offer granted to the Client by the Company. The Company may, from time to time, provide various bonus schemes and other trading benefits to certain Clients at its sole discretion. A Bonus is non-transferable and non-refundable.

1.2. Bonus Agreement – This Bonus acceptance policy, which outlines the rules and conditions applicable to the receipt and use of any Bonus.

1.3. Bonus Period – A duration of 90 (ninety) days from the date the Bonus is credited to the Client’s account.

1.5. Minimum Volume – Calculated as: Client deposit amount + Bonus amount × 20,000.

1.6. Terms and Conditions – The Company's Terms and Conditions, as published and available on the Website.

1.7. Website – www.kinmarkets.com

1.8. Withdrawal Balance – The portion of the Client's funds that is available and eligible for withdrawal.

2. Bonus Terms and Conditions

2.1. Bonuses offered to Clients by the Company are valid only for a specific period, as determined by the Company from time to time. Once the offer period has expired, the Client will no longer be eligible to receive the Bonus.

2.2. The Company retains sole and absolute discretion in deciding whether to grant a Bonus to any particular Client.

2.3. Eligibility for a Bonus is subject to fulfillment of the following conditions:

- The Company must expressly offer the Bonus to the Client.
- The Client must accept the Bonus Agreement and the Company's Terms and Conditions.
- The Client must complete all relevant KYC procedures and provide any additional documentation requested by the Company for verification purposes.
- The Client must have an active trading account with the Company and deposit at least the minimum amount required to qualify for the Bonus.
- The Client shall be deemed to have accepted and received a Bonus once he/she explicitly acknowledges acceptance-either by returning a signed Bonus Agreement, digitally signing an equivalent document, or any other form of confirmation recognized by the Company.
- The Client's deposited funds will always be used before any Bonus funds.

2.4. To withdraw a Bonus, the Client must execute a minimum trading volume equal to the *Minimum Volume*.
Example: If the Client deposits USD 1,000 and receives a Bonus of USD 1,000, the required Minimum Volume to enable withdrawal (and reach the Withdrawal Balance) will be USD 40,000,000 (1,000+1,000)×20,000(1,000 + 1,000) × 20,000(1,000+1,000)×20,000.

2.5. If the Client fails to reach the Minimum Volume within the Bonus Period, the Company reserves the right to cancel and remove the Bonus from the Client's account. In such cases, the Client's Withdrawal Balance will be recalculated as the total of the Client's deposits minus any trading losses. Should the Client request a withdrawal under these circumstances, the Bonus will be deemed null and void, and any losses will be deducted from the available withdrawal amount.

2.6. Partial Bonuses are not permitted. The Client must meet the full Minimum Volume requirement to qualify for Bonus withdrawal.

2.7. Clients may only request withdrawals when there are no open trading positions in their account.

2.8. If a Client has accepted a Bonus but has not met the Minimum Volume requirement, any withdrawal will incur an additional withdrawal fee equal to **20%** of the requested withdrawal amount. In this case, the Bonus and any related profits will become void, and any trading losses will be deducted from the withdrawal balance.

2.9. The Company may elect to revoke or forfeit Bonuses under the following circumstances:

- The Minimum Volume requirement has not been met within the Bonus Period.
- The Company suspects or identifies any form of abuse, manipulation, or fraud, or if the Client fails to fulfill any of their obligations. In such cases, the Company reserves the right to suspend, cancel, or terminate a Bonus, or any part of it, without prior notice.

2.10. Acceptance of a Bonus and its appearance in the Client’s account constitutes the Client’s automatic agreement to the Company’s Terms and Conditions. All provisions of the Terms and Conditions are deemed essential and binding.

2.11. Each Bonus offer is subject to the Company’s Terms and Conditions and applies only to the specific Client and account for which it was issued, within the designated timeframe.

2.12. Any inquiries related to a Bonus must be directed to the Client’s account manager via email.

2.13. The creation of duplicate accounts is strictly prohibited. Clients must not open multiple accounts for the purpose of receiving multiple Bonuses. The Company reserves the right to close duplicate accounts without prior notice, revoke any granted Bonuses, forfeit related earnings, and return to the Client only the deposited amount after deducting any losses or applicable fees.

2.14. If an account is deemed inactive by the Company, the Company may, without prior notice, remove or reclaim all Bonuses associated with that account.

2.15. If any provision of these Terms and Conditions is found to be unenforceable, the remaining provisions shall remain valid and enforceable.

2.16. Any delay or omission by the Company in exercising its rights regarding a breach of the Terms and Conditions shall not constitute a waiver of such rights and shall not prevent future enforcement.

2.17. Under no circumstances shall the Company be held liable for any consequences arising from the suspension, cancellation, or termination of a Bonus.

2.18. To promote informed trading decisions, the Company might provide a bonus equal to the amount paid for an approved educational or training course completed before commencing CFD trading. The bonus will be applied in accordance with these terms.
